# MASTERS SWIMMING CLUB

FOR FITNESS, FUN OR COMPETITION

Affiliated to the Amateur Swimming Association and  
British Long Distance Swimming Association

## About us

Isle of Wight Marlins is a small friendly swim club for adults, 18 and over, who want to swim for fitness, fun or competition. There is no pressure to compete and most of our members don't but some take part in age group competitions and in open water events. Qualified coaching is available if you want it but many members set their own agenda. A common theme is the wish to improve.

We have three members only sessions at The Heights, Sandown where we have exclusive use of the pool. Many of our members also swim together in public lane swimming sessions at various pools on the Island. See back cover for times.

We organise a number of events during the year which are both social and sporting. Our two regular main annual swimming events are The Heights Open Meet and the Sandown to Shanklin Sea Swim. Both events are great fun and attract swimmers from all over the country and even some from abroad. We also have ad-hoc events such as Swim the Wight Day, Swimming Master Classes from visiting gurus and occasionally purely social get togethers. In addition, our members often combine to do things together in less formal ways, as often happens when like minded people get to know each other.

If any of this is of interest to you and you think you might like to join or just find out more without commitment at this stage, please contact any of our committee members. Or simply come to one of our club sessions at The Heights in Sandown and make yourself known to the members who will make you welcome.

## Annual membership fees

**ASA Category 1 members            £20.00**  
(Members who do not wish to compete in open competitions)

## Session prices

Prices and methods of payment for the Tuesday and Thursday Sandown sessions are shown below:

- **Pay as you swim - £4 per session**  
For those who swim infrequently. Money paid on the day of attendance.
- **Regular swimmer - £19.00 per month**  
A monthly standing order which covers both morning sessions but there is no refund for missed sessions. This method of payment is considerably cheaper over the period of a month than the "pay as you go" method of payment.
